

## Welcome to Bugatti

The Brand Bugatti stands for exclusiveness, luxury, elegance, outstanding design and enormous passion. Unique visions, the strong tradition of legendary sports cars as well as the technical precision in development, construction and production – they form this brand since its founding in 1909, by Ettore Bugatti.

Become a part of this tradition. We invite you as:

# BG-F Referent Data Protection and Risk Management (m/w/d)

### Your tasks

#### Risk Management

- Implement and maintain an adequate risk management and internal control system (RMS/IKS) within BUGATTI brand companies.
- Implement and carry out appropriate risk management processes. Identify, assess and manage both actual and potential risks.
- Regular report on the main risks, the status of controlling and steering activities, as well as weaknesses to the management of the companies and to other relevant bodies.
- If necessary, reporting line to the management of the respective company and disciplinary reporting line to the overarching responsible function. If necessary, further development of the position is possible depending on experience and qualification.

#### Data Protection

- Centralising the competences and monitoring of data protection issues in accordance with French law, where appropriate in coordination with the legal and compliance function.
- Coordinate the processing of data protection topics with internal interfaces and external consulting firms.

### Your qualifications

- Completed university studies (bachelor or master) or comparable training with specialisation in finance.
- Knowledge of law, data protection and risk management.
- Several years of professional experience in the financial field (5 years minimum).
- Experience in the automotive sector is an advantage.
- Master of Microsoft Office.
- Very good knowledge of French and English, German is a plus.
- Good teamwork.
- Commitment to independent and flexible working.
